LETTER FROM THE PRESIDENT

WELCOME TO ALBANY!

Dear Ladies,

I am honored to announce the New York State Federation of Republican Women annual conference theme is “Unite, Empower Lead” as we work together to take back New York in 2022. We’ll take this opportunity to support each other, appreciate each other’s accomplishments and focus our goals on Republican initiatives for upcoming elections.

While the past couple of years have been difficult for many of us, we continue to chip away at a corrupt Democrat regime led by not one profoundly dangerous Governor, but two. 2022 will serve as the year we work to take back that seat and many more. This outcome will not come easy and will require your dedication to volunteer and to serve.

In 2021, an energetic slate of officers took the lead and are working together to support club growth, increase social media presence and welcome a newly federated club – the Real Republican Women of Schoharie County. Along with our officers, I’ve had the privilege to join you at your club and community events. Thank you for encouraging us along the way.

We welcome back to New York, National Federation of Republican Women past President Ann Schockett. She served our nation and Republican Women with grace and continues to lead the way for many of us. The New York Federation of Republican Women is privileged to have her as past President as she forged relationships with Republican leaders to benefit us all.

I’m really looking forward to getting to know you better at our annual conference and ask you to bring Republican ladies with you to collectively celebrate our accomplishments. We have many things to pack into Monday, and we encourage our elected officials and candidates to support all of our Republican Women at the Cocktail Reception and dinner on Monday evening.

All my support,
Trisha
